## Competitive History

Started racing at Hawkeye Downs in Cedar Rapids, Iowa in 2005 in C Class and finished 2nd overall in points my first year. Then raced B Class in 2006

and started A class in 2007 and started traveling to other tracks such as Winterset, Iowa and Montezuma, Iowa. In 2009 I raced the Moberly, Missouri Amateur National and finished 5th and 6th places in the two A Classes they offered. Also raced Jan. 1, 2010 in Tulsa, OK running TT and finished 6th and 10th in the two A Classes they had as well. I also finished 2nd and 3rd overall in the 2010 District 22 of Iowa's points series in Open A and Production A Classes and for 2011 received 2nd in the state for both Quad A Open and Production.

## This Year's Goals

This year I plan to hit at least two nationals and place top10 in my classes there. My goal is to win District 22 this year in Iowa. I plan to finish the race season and do great and make everyone proud.

**Im looking to purchase the Pro Advanced Series A Arms and the Super Link Swingarm for my 05 TRX450R. I would like any help you can provide me in aiding me in doing great this year.**

**This year I'm looking to ride my best and prove myself and with these items I believe I can ride to my full potential. This year I'm riding in memory of my father who died from cancer in December 2011 and looking to make a point and make my family proud and show everyone not to ever give up.**

*"Just like to say thanks and hope I get the oppetunity to ride for JB and bring some wins and more customers your way.*

*I apperciate your time and consideration!" - Jacob Lawson*
