

## '09 Trx Honda 450

I Have An 09 style Honda 450r kick-start that is complete motocross ready its all built by Rich 17 Racing all Lonestar's new parts besides the swing arm is a JB Racing and it has all Pep Pb1s Cps steering stabilizers runs on race gas Pro Taper bars plus 2 stem Lonestar graphics Douglas rims and Hoosier tires the motor has a 15:1 piston it has a Hot cam. We built it for this 2011 race season took it to Texas to practice and rode it around the track for 20 mins then we got rained out came home and I had a kid so haven't raced it once yet all brand new. Please mention you saw this on Thede Photography's site.
