

PowerMadd is happy to be working with Thede Riders again for the 2011 race season.

In the past two years that PowerMadd has been working with Missi and her ever-growing team, the response has only been positive. Here at PowerMadd, we appreciate her hard work and dedication to the sport. Because of this hard work and dedication a sponsorship with Thede Riders is a good place to start.

PowerMadd provides a blanket sponsorship to all of Missi's sponsored riders giving a large number of riders the opportunity to take advantage of more product discounts. By becoming sponsored with Thede Riders you become sponsored with PowerMadd as well.

Thank you Missi for all your hard work !
